

Private Jet Rentals

One Sky Jets

Earn a \$500 commission on each flight booked through your affiliate link.

You earn a flat \$500 commission on all qualifying flights sold through your web site. No messy commission scales or tiers to ponder.

What is the OneSky Jets Affiliate Program?

OneSky Jets is the leading online marketplace for private jet charters. Web site users are able to search for instant quotes on charter flights any time day or night through our easy to use flight planner. As a OneSky Jets affiliate, you will earn a commission on each qualifying flight sold through your affiliate link.

Jet Charters

Earn \$275 for every lead itinerary that results in a turbo-prop or jet booking.

Plus a bonus plan! For every two booking commissions paid within any given calendar month, you'll receive a bonus payment of \$200 USD. There is no limit to how many bonus payments you can receive.

What is the Jet Charters Affiliate Program?

The Jet Charter Media Affiliate Program is one of the most forward thinking and rewarding luxury travel partnership programs on the web today. Simply put, our publishers refer clients to www.jetcharters.com and earn a commission on each and every valid booking that results from a lead submitted through JetCharters.com!

Sailing Europe

Earn .10 euro cents for every click you send to their website. PLUS 50 Euro's for every sale you refer. If you can send clicks you can get paid!

What is the Sailing Europe Affiliate Program?

SailingEurope offers an affiliate partnership to website owners who would like to earn money simply and easily by publishing SailingEurope ads.

The program is designed for simplicity and attractiveness. You can set up SailingEurope ads on your pages and start earning very quickly, at the same time offering your site's visitors valuable discounts on SailingEurope's services. You will earn money both for clicks the visitors make on the ads (pay-per-click), and for every client you bring to SailingEurope (revenue sharing).
